

# Rotary

Congratulations on being inducted into the Rotary Club of Charleston – Breakfast! As you have noticed, our members all have “Blue Badges” listing their names and classifications. New members first receive a “Red Badge,” identifying you as a new member to facilitate getting to know you better. To earn your “Blue Badge”, our club requires you to complete series of tasks that will help integrate you into our club. While there is no deadline to complete these tasks, it is expected that you should be able to complete them in your first six months of membership. When you have completed a task, have the Club Administration Chair note the date and initial their approval. Once the Club Administration Chair ensures all tasks are complete, you will be presented your “Blue Badge” at a special ceremony.

## RED BADGE CHECKLIST

MEMBER BIOGRAPHY: Present a short 3-5 minute biography to the club during a meeting. We want to learn about you through your own words!

SERVICE PROJECT: Participate in any club service project. Rotary is first and foremost a service organization whose motto is “Service above Self.” In furtherance of this, our club coordinates several projects annually to help our community. We want you to become a regular part of our service goals.

ATTEND A MAKEUP: Attend a makeup at another Rotary club or online. While we encourage our members to attend our club weekly, sometimes that is not possible. Luckily, you can make up a meeting at a nearby club (list available at <https://rotarycharlestonbreakfast.org/on-line-makeups/>), any Rotary club worldwide, or online at <http://rotaryclubone.org/makeups/howtodoamakeup/>. When you do attend a makeup, make sure to notify the Club Secretary so they can credit you with your makeup!

BUSINESS CARD ROUNDUP: Collect at least twenty-five business cards from other club members. Not only do we want you to meet our membership face-to-face, we also want you to know that business networking is a side benefit of club membership.
